To All Parents at All Cubs:

All Cubs is **AngelWatch** accredited and with the assistance of the **AngelWatch System** our center is equipped with additional **Security** and **Safety** which adds **Peace of Mind** for all parents. We are proud to say that we are one of the most **Secured & Safest Centers** in New Jersey.

We will be receiving other **AngelWatch** Accreditations to better protect your Child in case of any emergency. In addition, you will be able to watch your children from any PC or Smartphone any time of the day through **AngelWatch's** Patented **Triple Encrypted Coded System**. You will be able to see things that you would have normally missed at other centers with the Angel Watch's clouding capabilities. You will be able to watch your child/children at your leisure 24 hours a day, 7 days a week.

AngelWatch knows in a time of crisis or of an emergency that seconds can make a difference between **life** and **death**.

AngelWatch has now made it possible that in case of any emergency that all emergency services will have instant access to your Child.

Police, Fire and Emergency Medical Technicians will now be able to assess a situation before getting to the emergency.

Because this is done for the safety of your Children, All Cubs will absorb the cost of the training, the systems, the installation and parent's weekly fees, so you can check in on your child/children throughout the day. All Cubs is dedicated to show the transparency of our center. The system is up and operating from the first day we are open for you to use and enjoy. For you to be able to utilize the system we need your email address (you can have up to 2). Please fill out the information below. PLEASE PRINT NEATLY.
